## **Caltrans Pavement Project Scheduled in Susanville**

**Susanville** -- The California Department of Transportation (Caltrans) Susanville Maintenance will conduct pavement work in Susanville at the intersection of State Routes 36 and 395. Work will begin on August 17, 2005 and is expected to take two to three days for completion. Crews will be in the area between 7 a.m. and 5 p.m. each day.

Impacts to the traveling public could include possible delays. Traffic will be under one-way traffic control with flaggers and pilot cars escorting vehicles through the construction zone. Changeable Message Signs (CMS) will alert motorists to any delays, detours and changes in travel. Local residents are encouraged to take alternate routes such as Johnsonville Road and Diane Drive.

For more information please contact the Susanville Maintenance Station at 257-5102 or the Public Information Office at 229-0511.
